

ECC AGM (1)
Membership Report
Monday 4th September 2021

Membership Report:

We currently have 20 members on the books, 3 Basses, 3 Baritones, 9 Leads, & 4 Tenors, those of you that have added them up as I said them will tell me that's 19, but Ben has not been counted in that list, so adding him in makes it to 20, which isn't quite what we had prior to Covid, but it's going in the right direction and my aim, with the help of you guys is to increase the numbers and grow the chorus. We really do need more people in all parts, luckily, we have Brian who can jump from Bass to Tenor as needed, but I'd prefer if he was able to stay on one part, where he could get to grips with the songs properly. Baritones are well represented every week with David and Dan, we could do with some more basses, and a couple of leads even though there seems to be a lot of leads on the books, they and the tenors confuse me, there seems to be the same number of people but different numbers in the those sections each week. It is encouraging to see that when someone comes along for the first time, they are made welcome and enjoy the evening so much, that they decide to come back again... This has happened EVERY TIME! So, keep up the good work!! In the coming weeks I will be asking every member what part they sing and trying to get them through a vocal check with Ben or Brian.
