

# ECC AGM

Monday 5<sup>th</sup> September 2022

Freston Village Hall

19:30

- **Membership**

- Our membership is at **27** which on paper is very healthy, it's just a shame that not all members turn up all the time, but what can you do, people have lives.
  - This membership figure includes the sometimes members
  - If we look at the membership, the figure for the ones that turn up is around **16**
  - Average attendance so far this year is **13**
- There have been an influx of members, while at the same time some seem to have fallen to the side, without actually saying if they've quit or not.
- I have started this financial year, a system that records absences, with apologies or notice, or just plain "didn't turn up, don't know why"
  - We can then hopefully keep on top of things and offer help and guidance should it be needed.
- We need to have definitive answers from non-attenders as ECC are now registered with BABS, and membership of BABS means all members have to be members of BABS
